

# 2100 NORTH

One-Way Getting There is Getting Better

## DRIVE IT SEPTEMBER 24

The Mountain View Corridor (MVC) in Utah County offers drivers a new east-west connection between I-15 and Redwood Road at 2100 North in Lehi. This initial phase of MVC is a frontage road system, similar to a divided highway, with one-way eastbound and westbound roadways and signalized intersections where 2100 North crosses local streets.

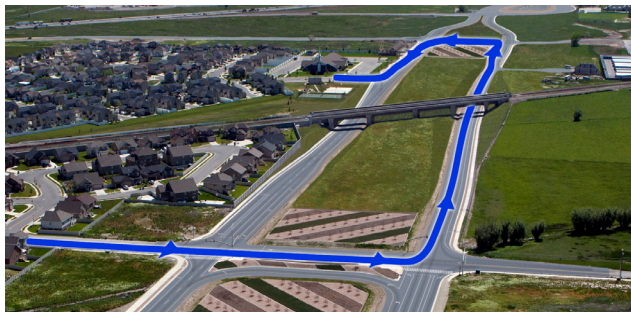

MVC 2100 North provides a great new route, but will require some adjustment to driving patterns. Visit the website to learn what to expect and how to navigate the one-way roads to reach local destinations.

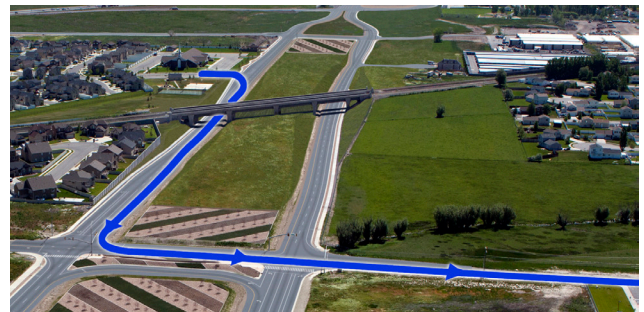

*Thanksgiving Way to I-15*

*Pointe Meadow to I-15*

*Cranberry Farms to Pointe Meadow*

*Pointe Meadow to North Point Elementary*
